

Epiblast

A scatter plot visualization showing two distinct clusters of data points. The left cluster is composed of numerous points in various shades of red and orange, ranging from light pink to dark maroon. The right cluster is composed of numerous points in various shades of blue, ranging from light sky blue to dark navy blue. The points are densely packed within their respective clusters. The background is a light gray, and the overall shape of the data distribution is elongated horizontally. The word 'Epiblast' is written in bold black text to the left of the red cluster, and 'NE' is written in bold black text to the right of the blue cluster.
